MAKE THESE HABITS HAPPEN

What Went Wrong

- I made mistakes
- There were times when I allowed myself to get stuck instead of moving forward
- I didn't communicate well enough

“You can’t have a culture of continuous improvement without learning from mistakes.”

I THOUGHT I had a pretty significant "failure" yesterday at work. And I told everyone who might want to know. Instead of pointing fingers at me, my leader, a VP, and an executive all rallied around me to help "right the ship." At no time did they imply I had done wrong. All they said was, "WE learned." In fact, all complimented me about how I handled the situation. It encouraged me to continue trusting them with my mistakes.
